

Cher Consœurs et Confrères,

We are very excited to bring you the news that GRS Uniworld, a world-wide known 5 star river cruise line with ships in 3 continents, has been awarded the approval of the Confrérie de la Chaîne des *Rôtisseurs* to use the logo of the Chaîne on all of their publications and menu cards and to carry the Chaîne shield, as a sign of approval on their outstanding quality of food and service on all of their ships.

All their ships are very luxurious and beautiful, but the Culinary Excellence of GRC Uniworld is of course the main connection to the Chaîne des Rôtisseurs.

"All the style of a five-star restaurant . . . the food, reflective of the region you're sailing through, is absolutely incredible."

Natalie DiScala, *Style at Home blog*, 2015

GRC Uniworld's culinary program continues to be recognized as the leader in river cruising experiences. They are the only river cruise line to be consistently lauded in travel and gourmet publications around the globe.

Therefore it is with great pleasure that the Bailliage National des Pays-Bas (Netherlands) welcomes GRC Uniworld to the Chaîne des Rôtisseurs.

Six executive chefs of GRC Uniworld have been registered as members and will represent the values of our organisation on GRC Uniworld ships. The first one to be inducted was Maître Rôtisseur was Mr. Gerard van Helvoort, during our Grand Chapitre of Aachen and Maastricht earlier this year.

*Bailli Délégué - Commandeur, Membre du Conseil Magistral
Gerrit de Kiewit together with Maître Rôtisseur Gerard van Helvoort.*

Ships who proudly carry our shield are;

S.S. Maria Theresa
S.S. Catherine

S.S. Joie de Vivre
